Players will not be allowed to try out for multiple age groups, but should register for the highest age division in which they desire to compete. The player will be assigned to the team/age division that is best for our program

based on skills, coach evaluations, and available stats. Players eligible for a younger age group who want to play up will not force out an eligible player out of the program.

- Section 11.06 SELECTION OF TEAMS.** The tryout scores provided by the high school coaching staff will be collated to determine a total score per player. Coaching evaluations and in-season stats from the previous season, if available, will also be used to determine team placement. It is imperative that a program of our caliber has skilled pitchers and catchers throughout each of its teams. For 10U-14U, our preferred outcome is that each team has 3 Pitchers and 2 Catchers. Each player will be rated on both overall ability and pitcher/catcher ability. If a situation arises where a player's general rank is significantly higher than their pitcher/catcher rank, we will have a discussion with that family about the recommended outcome and their preference. While it will ultimately be the head coach's decision on positions played throughout the season, a player who does not declare and try out as a pitcher/catcher should not expect to play these positions. In other words, players expecting to pitch and catch during the tournament season need to "tryout" to pitch or catch. Teams will be selected by the SEP Rams Softball Club tournament selection committee comprised of the high school coaching staff and the Association's Executive Board. The selection meeting shall take place as soon as possible following the last tryout.
- Section 11.07 SELECTION OF COACHES.** The SEP Rams Softball Club tournament selection committee will be responsible for the placement of all tournament program head & assistant coaches. Head coaches will be announced contingent upon the successful completion of the USSSA background check. All assistant coaches or dugout helpers must be approved by the SEP Rams Softball club selection committee and Tournament Director contingent upon the successful completion of the GAGSA-issued background check.
- Section 11.08 SELECT PROGRAM.** The Association may, at its discretion, field Select tournament teams to participate in the association tournament program. Select teams will follow the guidelines set forth in the Select Program Handbook. Select team player eligibility, tryouts, and team selection may be independent of the policies outlined in Sections 11.04, 11.05, and 11.06 of the association bylaws.
- Section 11.09 DISPUTES.** Any dispute regarding the formation of teams or any other Association tournament team policy that may arise during the playing season or off-season shall be to the Tournament Director for resolution. The Tournament Director shall be as transparent as possible when responding to disputes without compromising the integrity of specific tryout scores of other participants, statistics of other participants, or sharing coach's evaluations of participants.  
The Tournament Director may request disciplinary action, including but not limited to removal of a coach or player from a tournament team, to the Executive Board.  
Appeal of the Tournament Director's decision can be made to the Executive Board. The decision of the Executive Board shall be final.
- Section 11.10 COST.** Cost will be determined yearly by the Tournament Committee in June or July. There will be a tournament participation fee along with a non-refundable tryout fee. The tournament participation fee includes the cost of the uniform for each player and entry fees in an amount as determined by the Board. There may be additional costs as determined by individual teams (ie: winter practice facility, winter/spring leagues, additional tournaments, matching equipment, etc.). These costs are responsibility of the team and will be covered by parents, fundraisers or sponsorships; the Association is not responsible for any of these additional costs.
- Section 11.11 FUNDRAISING AND DONATIONS.** Individual teams that conduct fundraising will be permitted to keep the funds they raise. Prior to conducting fundraising or accepting donations, the coach shall submit a request using the form provided by GAGSA. A GAGSA group consisting of the Treasurer, Assistant Treasurer, Tournament Director, and Assistant Tournament Directors will review and ensure the proposal is in line with GAGSA guidelines. If the fundraising or donating company requests to write a check to GAGSA, GAGSA will maintain and

record the funds with the team budgets and will distribute funds in accordance with the request made by the coach.

**Prohibited activities include:**

- Team apparel sales
- Soliciting donations from current or prospective GAGSA sponsors
- Gambling, raffles, or games

**Section 11.12 EQUIPMENT.** The Association shall provide equipment for each tournament team that is determined as necessary for the development and support of the participants. All equipment provided to tournament coaches shall be returned at the end of each season. The association will not be responsible for lost or damaged equipment which has been purchased by a coach for use over the course of the season.

**Section 11.13 TOURNAMENT TEAM SCHEDULING.** Association league play shall take precedence over tournament team scheduling prior to end of League season to ensure that league play can be completed in a timely manner.

**Section 11.14 GUEST PLAYER USE.** Substitute players may be used by teams as the need arises. Coaches have discretion in finding a substitute no matter the school district of the player based on their needs, however in-district qualified substitutes are encouraged. If a permanent substitute is needed to fill a roster for any team, an out-of-district player may be used with permission from the SEP Rams Softball Club tournament selection committee.

**Section 11.15 COACH CONDUCT.** While the Board does not wish to interfere with a coach's ability to coach his/her players the way they feel is necessary and prudent, all coaches within the tournament program are expected to conduct themselves in a professional manner, and in a way that reflects positively upon our program.

In addition to the expectations outlined in Section 8.02, the following apply:

- Coaches shall not use profanity toward players, umpires, fans, or opposing players, coaches and fans while on the field of play at any time. Profanity toward players at any time will not be tolerated.
- Opposing players and coaches should be treated in a respectful manner at all times. This includes no heckling, derogatory comments, or "trash" talking about or toward an opposing player or coach. We understand that there may be times when an opposing team instigates an incident. We ask our coaches, parents, and players to restrain themselves and not fall to a substandard course of behavior in retaliation. Be the bigger person.
- Coaches will represent the association in a way that does not cause harm or damage the reputation of the association.
- Coaches will not use social media or other forms of electronic communication in a way that may be harmful or damaging to the reputation of the association.
- All players on the team shall be treated in a respectful manner.
- Coaches will ensure only team staff approved by the association are assisting with team events including practices and games. Non-Team staff will be limited to areas outside of the dugout and field.
- All coaches are expected to follow proper protocol when seeking to do something which is considered outside of program policy, such as picking up extra players. Coaches are expected to follow the direction and wishes of the Tournament Director and the Board at all times.
- Illegal activity by a coach involving a minor of any kind will not be tolerated. Other illegal activities engaged upon by a coach will be reviewed and assessed by the Board.
- Coaches will be allowed to coach in a manner they feel is appropriate and with little interference from the Board or Tournament Director, as long as the above guidelines are followed. There are incidents that occur during the course of a season involving the coach which some people may feel are inappropriate while others see no problem. Should the actions of a coach

cause concern and those concerns are brought to the Tournament Director , the Tournament Director will assess the situation and discuss with the coach in question.

- Our goal is not to restrict coaches from being a coach, but to be there as a support for all in our program and ensure the program remains in good standing with the community.
- In all of the above circumstances, the conduct of the coach will be reviewed by the Board, and disciplinary action, including dismissal of coaching duties may result.
- All coaches will be required to complete a background check and agree to the GAGSA code of conduct.

**Section 11.16 ADDL CODES OF CONDUCT.** By participating in the Tournament Program, all participants, guardians, and spectators are responsible for adhering to the Codes of Conduct of the sanctioning bodies and tournament organizing bodies where the members are participating. The Association will be held responsible for upholding any judgements issued by the sanctioning bodies and tournament organizing bodies for violations of their Codes of Conduct.
